SCRATCH AND PERFORMANCE RACING

Unfortunately, due to inclement weather conditions only six of our scheduled ten regattas have been sailed. After six regattas and two drops results are now becoming clear. In scratch racing results are very close with Dave Anstey half a point ahead of Terry Farrell in second, who is half a point ahead of Adam Cooke in third. In the performance racing results Brad Quiggan has established a dominant lead followed by Keith Albury and Chris Villa.

PURSUIT RACING

The third series of the Orrell Cup was sailed on 3th August in a very light westerly breeze. Les McPherson was the days winner followed by Richard Orrell and Clive Dutton third. The pointscores will be posted after Month 4.

TRANS TASMAN REGATTA

It has now been confirmed we will be having our Trans Tasman Regatta with the Victorians and Kiwis on the 16rd and 17th November. Details in the following weeks. We are potentially looking at a much larger fleet than last years Trans Tasman series. This is likely to result in a multiple heat format of racing.

Lots of competitors but not many volunteers to run the regatta so far!
